McKayla

★★★★★

Have purchased multiple heels and always impressed! Shop owner is very helpful and quick to reply to any questions. Top quality! Shipping is always on time!

David 21 Jul, 2019

★★★★★

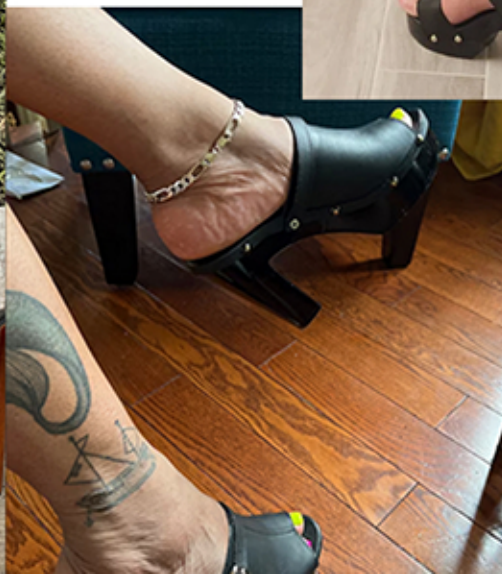

These high heel clogs are very comfortable and very easy to wear. I am very happy with these clogs and consider them one of my favorite ones to wear!

VENUS

Perfect for the office or any stylish occasion, our 10 cm heeled ankle boot in full genuine leather is a classic wardrobe staple for all-year-round whatever the weather.

Version 1

Version 2

NEPTUNE

OMES has revisited the traditional ballerina to make it more elegant and durable. With its semi-wedge heel of 3 cm, Neptune has an outsole made with a recycled tire for a strong grip and better shock absorption to reduce stress on your knees. The premium leather upper and the padded insole grant durability and comfort to support the feet throughout the day.
